Local cowboys win at Stoney Lake

Ted Hehr of St. Paul and Dion Roscoe of Elk Point were among the winners at this weekend's Stoney Lake Rodeo, which saw over two hundred cowboys and cowgirls compete.

Hehr took top honors in the Bareback Riding with a 72 point ride aboard "Miller's Cave", moving Saturday's leader, Frank Anderson of Minburn, with 70 points, into second place. Darrell Wickham of Elk Point and Rocky Munteanu of Edmonton tied for third with 67 points apiece. Hehr took home the Elk Point Hotel trophy and a \$250 purse contributed by St. Paul & District Co-op, Paulchuk Farm Equipment and St. Paul Pump Service.

Dion Roscoe racked up eighty points on a bad, mad bull named "Stranger" in Sunday's performance to win the Beaver Lumber trophy and \$250 purse contributed by Nick Bodnar Welding, Trenching and Backhoe, and Elk Point Gulf. Lyle Potts of Vilna took second prize money with 75 points and Tim McKinney of Barrhead placed a close third with 74 points.

Saddle Bronc winner was Rob Carey of Ardmore, scoring 70 points on "Fat Man" for the Zarowny Motors trophy and \$300 purse sponsored by Paul Caouette & Sons, Vogel's UFA

and Dary's Auction Service. Only four riders qualified in the two days with 1986 season leader Gary Seutter of Sherwood Park marking 65 for second place, Denny Hay of Mayerthorpe with 54 for third and Mark Wemp of Viking with 52 for last place.

Sheldon Smeltzer of Millet added to his season's lead with a 66 point win in the Junior Steer Riding for the Evergreen Stationers trophy and \$100 purse donated by Letourneau Farm Supplies and Dan's Auto Body. Shawn Vant of Millet placed second with a 65, followed by Dale Burns of Mayerthorpe with 64.

In the timed events, Dennis Johnson of Whitecourt tied up a wily calf in 11:30 seconds to take home the Calf Roping trophy from the Toronto Dominion Bank, Elk Point, and a \$250 purse from Wolanuk's Fashions and Foods, St. Paul Beverages, and Burger Palace. Wayne Boisjoli of Ponoka was second with 12:09 seconds, while Ed Masson of Cadogan clocked in at 13:32 for third.

Don Helmig of Forestburg was awarded the Dale Real Estate trophy for a speedy 5:50 second run in the Steer Wrestling, along with a \$250 purse from Centennial Furniture Barn, Senecal Tire and Linkewich Trucking and Corral

Cleaning. Two St. Paul cowboys placed second and third, with a time of 6:10 recorded by Jim Bailey and 6:18 by Ken Dunlop.

Terry McIlldoon of Two Hills took the Ladies Barrel Racing honors with a time of 17:92 seconds for the Elk Point Insurance & Realty trophy and \$250 donated by Gregg's Family Shopping Center, St. Paul Sales & Service, St. Paul Tire Shop and 3-D General Service. Lori McKay of Lloydminster was second with 18:16, Debbie Zacharko of St. Paul third with 18:27 and Wendy Lorensen of Elk Point fourth with 18:49.

In the Junior Barrel Racing, Amanda Hoff of Metiskow completed the cloverleaf in 18:82 seconds for the Linkewich Mobile Home Park trophy and \$100 purse donated by Phil's Hardware & Variety and Speedy Mart. Season Leader Trudy Fletcher of Wainwright placed second with 19:01 and Terryl Garriock of Elk Point was third with 19:28.

The Steve Y. Demchuk Memorial trophy for PeeWee Mixed Barrel Racing went to Jamile McIlldoon of Two Hills, who clocked in at 20:01. Tany Kenyon of Elk Point, competing at her very first rodeo, placed second with 21:38. Old Style Auction Services provided prize money for the event.

There was plenty of action for the once-a-year cowboys from the district as well.

The Ference team took top prize money both days in the Wild Cow Milking, with the Daryl Smith team also taking two seconds.

Trophy for the Wild Cow Milking came from the Empress Family Restaurant, with a \$100 purse from Wozniak's Texaco and steak dinners donated by Rose and Jerry Ahern, helping the winners to forget their bruises.

Randy Wickham, dressed in his Sunday best and brandishing a bag filled with powder, whooped and hollered his way to a 175 point win in the Wild Horse Ride to take home the Westmin Resources trophy and \$375 cash prize donated by Old Style Ranch, Westmin Resources, Bill and Ivy Ference, Stoney Lake Stampede Association, Ray's Rad Repair, Terry Wozniak Trucking, B & L Refrigeration, Lionel's Farm Contracting, Coyote Creek Ranch, Drobot Auction Service, and Rose and Jerry Ahern. The Aherns also supplied the winner with a steak dinner.

That world-famous Stoney Lake Spectacular, the Wild Steer and Stoneboat Race, provided its usual wild and woolly action, with the Ference team easy winners of the Drobot's Auction Service trophy and \$100 purse from Glendon UFA and Bonnyville Gulf. The Jerry Lafreniere team from St. Paul placed second.

But the fun wasn't over yet, as action shifted to a shiny hitching rail located under shady trees west of the rodeo arena. There, pairs of combatants armed with straw-filled gunnysacks climbed aboard to try and maintain their balance while battering their opposition with their unwieldy weapons.

Shirley Tough of Calgary, originally from this area, took home the Joeline's Fashions trophy in the Ladies competition, and went on to defeat her husband in an exhibition match. The Men's competition had numerous entries and substantial prize money, plus the Lakeland Drilling trophy which went, after

Wear soft shoes and a big smile

Alberta Trails

This year Alberta Trails will lead many off to Expo in Vancouver. I am one who has gone West - and am thoroughly enjoying this side of the mountains.

I arrived late Friday evening. Saturday we visited, enjoyed the showers and a stroll in a damp Stanley Park, gathering our energies for a go at Expo, which we had all day Sunday.

Arriving a bit after opening time of 10:00 a.m., we had no difficulty finding a parking spot - but shopped around a bit, choosing to pay \$9 for the day, rather than the elsewhere \$12, since we did plan to stay all day.

Film was readily available, near the entrance, so I got some, while my guide (and son) Dennis got us tickets for the intended visit to Expo Centre, in the giant dome. They were for 2:30 p.m. so we had plenty of time to explore. We selected the Ontario pavilion for starters.

Yes, there was a line-up, and yes, it was tiresome, but there was plenty to look at while we waited. The entire theme of Expo is transportation, so it was not surprising to see a long line of boats, starting with sails, to oars, to motors and on through cars, bicycles, trikes, all-terrain vehicles, etc., etc., on display. What is a bit astonishing is that they are suspended high overhead, available to study as one (and all) crept slowly up the ramp toward the end-product, an almost over-powering movie display, so large, so close, many folks were reaching out to grasp at the wings of the Canada geese which seemed about to fly into our faces. Ontario's film on the changing world in motion is very gripping. You could swear Niagara's Falls were splashing water in your lap.

We had luncheon in the Ontario restaurant, very good, quite expen-

sive, with meticulous and cheerful service. I enjoyed it. Across the water the great dome glistened, even without the sunlight which appeared now and then.

Later we wandered as our feet led us, entering the China, Singapore, Thailand, Mexico, Alberta and U.S.S.R. pavilions - not in that order. We also watched street performances; a pair of jugglers, an entertainer who played (beautifully) on a handsaw, sang comic and crowd-involving ditties to the accompaniment of a banjo, and we sat a while to hear a family group from Quebec who did both English and French songs laced with comedy. As we waited in a clump to enter the NWT pavilion, a lively old-time group from Yellowknife entertained us with some songs even I knew, along with a few tongue-twisters I didn't know - all in the interest of distracting us from the droplets of liquid sunshine pattering on our heads as we waited.

Umbrellas bloomed, including mine, and as I pointed out, I've never seen an Albertan carrying an umbrella in Alberta (I admit I don't go out that much in the rain!) I was not shy to use one elsewhere. I'm happy to say my new perm is holding up very well.

The Alberta Pavilion, created by my young friend and semi-family member, one Gary Andrishak, born and raised in Elk Point, was not a disappointment at all, and I proudly beamed and boasted "That's my town!" as we spied the Elk Point sign on the AWP and UGG elevators depicted in the moving murals surrounding a bin of hard red spring wheat under our feet as we walked over the glass floor covering it.

The exterior of the Alberta pavilion is varied and unexpected yet readily recognizable - and we didn't know until later that one of the "mountain climbers" who decorated the top

stories with live displays, had slipped and fallen and broken her ankle on that very day. Later on we sat in an umbrella-sheltered open-air cafe, feasted on buffalo burgers 'n' fixings and enjoyed a lively young couple from Calgary's music as we assuaged our hunger.

Many of the pavilions display articles which are for sale. Among these are the Mexico and China pavilions. Mexico has gorgeous pottery, leatherworks, glass, embroidery, silver, etc., works of art, simply beautiful.

In one pavilion - I can't remember whose - were unbelievably intricate carvings of ivory, jade and great quantities of jewelry; price for a small opal ring starting at \$300, with much upward leanings. I quit asking right there.

Of course, it's a small world. With a mere 100,000 or so persons about, from all over the world, was it surprising to find my friends from Elk Point - Vicki and Don Brooker - having coffee right where we planned to sit and have ours? Not to me - after all - I'd ridden to the airport with them, and we said on parting "See you at Expo!" And we did.

It would be impossible, with anything less than a book, to tell of all we saw - and we were only there one day so far, so I won't even try. If you are in doubt as to whether it's worthwhile to go - just go. I don't see how you could regret it.

Forget the stories about the massive line-ups. If one looks too long

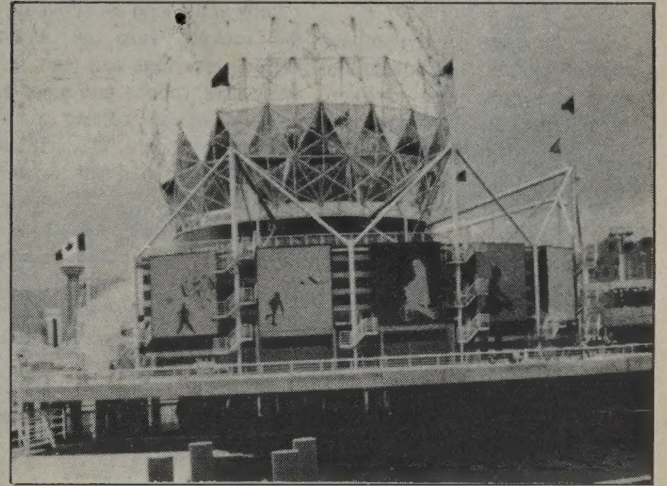

to suit you, just go to another pavilion. All are good and interesting. Forget the line-up horror stories for food, washrooms, etc. We went on a Sunday, busiest day. I went in one washroom with about 30 cubicles, and was the only one there. There are lots of them. Line-ups for food? Little worse than any good day around home.

There was a long line-up for the monorail when we tried to go on it, but it was late, everyone heading for the exits. We merely walked on, probably getting there as soon as if we had waited.

Next time we go, we plan to ride in a gondola, this looks like a place to get a really great over-all view. We enjoyed a short ferry ride on a nice clean boat. Oh - everything is so clean and tidy you wouldn't believe 5 million folks wandered here over the past month.

The lucky ones are those with a season pass, they could go every day if they didn't have anything else to do - and perhaps get to see it ALL. I shall try to be content with my 3 days, and enjoy as much as I can.

My only advice - wear soft, walkable shoes, and a big smile.

THE GREAT DOME OF EXPO CENTRE — Like a fallen star gleaming, it will remain long after the shouting is all over. I. Magnusson

Take an Alberta break

School's out, and summer vacation time is officially here — why not take an Alberta break? — why not take along your visiting relatives and friends?

Look at the long list of events in the recent "Take an Alberta Break" brochure and see how many fairs, rodeos and other exciting events are coming up, not that far from home. Why not take some of these in, if time allows?

Then there are the attractions of the cities — West Edmonton Mall, with its whopper of a water park and much more to fill a day of exploring, and Calgary with its world-famous Stampede. These are what people come from all over the world to see, along with the spectacular scenery of our mountain parks.

Let's see our own Alberta, this summer, as the tourists see it. Maybe we've been going farther away and missing out on the green, green pastures of home.

Our mistakes

The Lakeland Review wishes to apologize for a bumper crop of errors appearing in last week's paper. Sorry about any inconvenience caused by the following:

1. In the "Hit and Run" story, appearing on Page 6, damage was quoted at \$26,000, when it was in fact \$2600. Our sincere apologies to the RCMP for the extra zero.
2. Our Town Council story says that the \$3000 from the Golf and Country Club is to lease the quarter section adjacent to the course for future improvements. This is not so. The \$3000 is to lease the existing golf course on the recreation land from the Town, and any improvements involving an

additional quarter section of land is far in the future. Our apologies to the Town and the Golf Club on that one.

3. Apologies to correspondent Mildred Dunham for running her picture of the Red Cross quilt with the story about the "post office" quilt, and the Red Cross quilt story and "post office" quilt picture the next week. All those talented quilters had our layout artists a mite confused!
4. Somehow, the pictures from the Elks Ball Tournament have gone missing. We are valiantly trying to track these down, and will print them when located. Apologies to the Elks and to the lucky winners of the tournament.

HIGH ACHIEVERS — These students all had an exceptionally good year, taking home well-deserved awards for their achievements over the past ten months.

Awards Day at Heinsburg Elementary

Heinsburg Community School held its first annual Elementary Awards Day Wednesday, June 25/86 at Heinsburg Hall. Proud parents, teachers and friends gathered to watch their children accept their awards.

"Second Class Mail Registration Pending"

Clandonald News

By Shirley Osinchuk
Clandonald Correspondent

The school track meet was held in ideal weather conditions on Friday, June 20. All students took part. Each one was required to enter at least events of the nine or more. Winners received ribbons from first to fourth place, and anyone who tried but did not receive one of those, was awarded a participation ribbon.

Some of the statistics of the Junior High might be of interest. Diane Bardoel set a new school record of 6:31.00 minutes for the 1500 metre run. Leah Ann Grant, Marie Lawrence, Katherine Martin, Christina Garnier and Shannon Convey also won first place ribbons. The Senior girls spread the red ribbons among Tammy De Ford (3), Elaine Bardoel (2), Heather Attfield (2), Carla McNamara and Janice DeFord.

Jason Trach won all the 12 and 13 year old boys races, the 100 metre, 200 metre, 400 metre, 800 metre and 1500 metre. Jason also won Triple Jump and Javelin, and Bryan Thomas won the other four events. Andy Pearle won six of the events for the 14 and over boys, and set two new records, 5.21 metres in the Long Jump (old record - 4.79 m.) and 38.50 metres in Javelin (old record - 34.62 m.) Trevor Golden won two events in that level and Roger Osinchuk won the other three.

The names of all the elementary winners are not available, but they all went out to do their best. Congratulations to all the Grades 1 to 6 students.

Last week's ball report was not accurate. The Squirt Boys team played in the Marwayne Tournament on Sat., June 21. They beat Mannville 14 - 3, then lost a close game to Kitscoty 17 - 11. Their wind-up will be on June 25, and their final game is against Dewberry in Clandonald at 6:30 on Friday, June 27.

The soccer team played in Vermilion on Monday, June 23 and tied 4 - 4. These boys and girls have practised hard for this game.

Again this year the Fish and Game Association wants to sponsor two children of members to the Narrow Lake Conservation Camp from July 20 to 27. Any interested persons ages 12 to 16 should contact Francis DeFord as soon as possible at 853-2647.

Last week's report of the "Bantam" girls ball team was actually the PeeWee girls. They played two good games with Dewberry, then won second place in the Marwayne tournament.

Seven teams made up this year's "Girls League". Games started April 28th, and continued through the rain and snow. Team standings at the end of the season were: Rusylvia, Elk Point, Vermilion, Manville, Marwayne, Kitscoty, Clandonald.

Rusylvia hosted the league playoffs on June 14, with six teams competing for gold, silver and bronze medals. Unfortunately, Kitscoty was unable to attend.

Rusylvia won a spot in the final game by defeating Mannville and Vermilion. They played a tough Elk Point team who had defeated Marwayne and won the bye into the final game. The game was very close and exciting with Rusylvia finally winning the gold medal by a score of 15 - 11.

On the "B" side, Marwayne defeated Mannville, to meet Clan-

donald in the final game. The bronze medal was won by Clandonald.

In the Midget boys league, Rusylvia, Elk Point, Vermilion, Marwayne, Kitscoty, McLaughlin and Marshall played. Because of rain out games, Rusylvia played only ten of the scheduled twelve games, placing second in league play. Kitscoty won the playoffs.

On June 21 and 22, the annual Rusylvia Northmen Fastball Tournament saw sixteen mens' teams and six ladies teams playing. The usual large crowd was out to watch and the weather was cooperating. On the "A" side, the winners were Saddle Lake, Rusylvia Northmen, Camrose Windsor Hotel and Irma, in that order. On the "B" side, the Beauvallon Aces, Lake Bellevue Myrnam Steelers and Alberta Chain were the winners.

The host Rusylvia Northmen beat the Edmonton Alberta Chain team on Saturday, then beat Wainwright on Sunday. The next game, against Irma went into an extra inning before Rusylvia finally won 7 to 5. In the final game, they met a tough Saddle Lake team which won the last inning

with a home run with two men on base. The final score was 7 to 4 for Saddle Lake.

The ladies' teams played a round robin. The Vermilion Aces won their three games to place first. The Rusylvia Rivals placed second.

Former MLA Bud Miller, Mrs. Miller, MLA Doug Cherry and Mrs. Cherry were in attendance. Between the final two mens' games, Mr. Miller cut the ribbon to officially open the newly renovated Rusylvia Hall. Last August Mr. Miller presented a cheque to the Rusylvia Community Association from Alberta Parks and Recreation. Since then the kitchen and entire inside of the hall have been renovated. The whole community has taken part, all labour being donated during spare time. As a thank you to Mr. Miller for the support he has given Rusylvia community, he was presented with a Northmen jacket.

In the horse pulling contest a filly won first prize and Allan Bensmiller won second at the wagon races June 14th and 15th. There will be more horse pulling at the Greenlawn Old Timers Picnic on July 1st, also

chariot and pony chuckwagon races.

Get well wishes go out to Lyle Mahinney and Nina Smith that are in the Vermilion Health Care Complex.

The Greenlawn Ladies Goodwill Club sponsored a tour to the Ukrainian Village on Thursday, June 19th. They went by Sharkey's bus from Heinsburg and some from Dewberry went also, thirty or more altogether.

Marge and I went to Milton Lee's 80th birthday party at the Vermilion Senior Citizens Centre, Saturday, June 21st. We met several of our old time Clondonald friends there, like Tommy Stockwell and his wife, Johnny Nelson and his wife, Arthur Roberge and his wife and others.

Congratulations to Carol Holmen

for winning two more gold medals. Sorry Carol, I forgot the place where you won the last two.

This is the last week of school for a couple of months. As I look out the window while writing out the news, there is a large crowd of children with their bicycles and they are about to take off for a three day outing at Whitney Lake. There are about forty bike riders and up. At the camp they will be taking up orienteering, bird identification, tree and leaf identification, fishing and filleting, carpentry and canoeing. It is the Grade 3 to 6 that are going.

Our weather has been windy and cool this last week except for a couple of days it got up to 80 degrees above F and the low on the 26th 36 degrees above F. We had 1 1/2 inches of rain on Wednesday, June 18th. Everything is nice and green and the gardens are coming along well.

The teachers reunion is this weekend and over 1,000 have registered.

Heinsburg seniors travel

By Mildred Dunham

Ferguson Flats Correspondent

Seventeen Heinsburg senior citizens took a bus trip with driver Vernon Sharkey, to Fort Edmonton on the 21st of June. After spending the day there, reminiscing and seeing things from "yesterday", they went out to the Red Barn for supper and dancing. They all reported having a really great time. (Are we talking about "old" people??)

The Heinsburg Riverview Senior Citizens Club presented all the seniors with a cap with the Alberta decal on it and ACAC (Alberta Counselling for Aged). It was a gift to all the members.

Bertha Botting was one of the enthusiastic seniors that took the trip. She wishes to extend many thanks to Vernon Sharkey from herself and the others for his excellent bus service and the superb care given to all the seniors during their trip.

More SafeGrad

The Elk Point RCMP Detachment neglected to mention in last week's story on Safe Grad that the Town of Elk Point's donation came through the F.C.S.S. Department. The RCMP also wishes to extend special thanks to Hans Rohner of Graphica, who donated the handsome banners again this year.

BODNAR, Harry
In loving memory of Harry Bodnar, who passed away July 1st, 1985. Dear Dad, one year has passed, We shall never forget you. Could we have been there, At the hour of death. His last faint whisper, We might have heard, And breathed in his ear, Loving words . . . "We love you Dad." You are gone, not forgotten, Nor ever shall you be. As long as life and memory last, We love you in death just the same. We often stand beside your grave, Deep in our hearts lies a picture, Of a loved one laid to rest. In memories frame, it shall be kept, To remember our whole life through, Always will love you in death the same. Sadly missed by THE BODNAR FAMILY.

Elk Point Library needs to be assessed

The Elk Point Library Board has appointed a Needs Assessment Committee to solve the mystery of making the best use of your library's resources-the facility, people, materials and money.

This Needs Assessment Committee is asking questions and listening to answers. It's finding out what the community wants from its library. It's talking to people and paying attention to what they're saying. It's searching for clues about your community's library needs.

If you are curious and/or interested in helping us make our public library the best in the Northeast please give us a call or pop in and talk to us because we need your help. Do you know how many paid subscribers the library has as of July 1st, 1986? If you think you do, enter your name, telephone number and guess in our draw box next time you're in the library and you could win a free book!
